Athlete Supervision

The coach to athlete ratio (1:4) must be maintained at all times to ensure athletes have appropriate supervision. At no point should athletes be allowed to travel around the Fall Games venues or housing sites without a coach.

Coach Responsibilities

All coaches must comply with the rules and guidelines for participation in Fall Games and with the Special Olympics Southern California Coaches Code of Conduct. Failure to abide by these rules, guidelines, and directives will result in the coach’s dismissal (at the expense of the Delegation).

Coaches coming to Fall Games must accept these responsibilities:

• Provide for the general welfare, safety, health & well-being of each athlete in their charge.
• Be thoroughly familiar with all information in this handbook.
• Dress and act at all times in a manner that will be a credit to Special Olympics Southern California and the Delegation. Always be courteous.
• Report all emergencies to proper authorities after taking immediate action to insure health and safety of participants.
• Attend all meetings as scheduled.
• Refrain from possession, consumption, or use of alcohol or illegal drugs at all times.
• Follow the intent and spirit of the duties, rules and responsibilities as established by Special Olympics Southern California and Special Olympics, Inc.
• Provide the following services to each athlete in their charge:
  o Supervision 24 hours a day.
  o Assurance that credentials are worn at all times.
  o Assistance with luggage and personal items at all times.
  o Assistance in getting to meals on time.
  o Assistance in reporting to competition areas on time.
  o Assurance that prescribed medications are taken on time.
  o Assistance in keeping track of awards and souvenirs.
  o Assistance in getting athletes to all event activities.
Medical Guidelines

• Bring copies of all of your athletes’ medicals to the event.
• The main Kaiser Permanente medical tent will be located in the Festival. Additionally, each sport venue will have a clearly marked first aid station.
• Emergency medical care beyond first aid is given at the Emergency Room. For return transportation, contact your Head of Delegation (HOD) for assistance.
• Report any known or anticipated medical problem to the medical volunteer in your hotel upon arrival (diabetes, severe allergies, and recent injuries).
• Medications should be administered at scheduled times by athletes or coaches. Double check that medication dosage is correct and sufficient for the weekend.
• Special Olympics Southern California does not provide wheelchairs. Wheelchairs are not available at the event.
• Sunscreen: If the weather requires sunscreen, have athletes apply it prior to the start of the Games. Reapply as needed every 2-3 hours.
• When a participant becomes ill:
  o Stay with participant and send for assistance.
  o Wait with participant while medical volunteer checks condition.
  o Accompany the participant (if referred) back to hotel, hospital or rest area.
  o Notify your Head of Delegation (HOD) before leaving with the participant.

Medical Emergencies and First Aid

Initial requests for medical attention should be directed to the sports venue first aid station. Secondary procedure would be to contact Games Headquarters. In the event of a medical emergency or other significant emergency:

A. Attend and assess any victims.
B. Request First Aid assistance if needed
C. Request First Aid assists if appropriate
D. Administer CPR by a qualified person only, if it is appropriate.
E. Request staff/volunteers to maintain crowd control.

Please notify the nearest SOSC staff member or call Brian Szczesniski, Sr. Director, Communications (562) 686-5997 (after calling emergency personnel). Complete an accident/incident report describing what took place and submit it to the SOSC Competition Director or Games Director.

Non-Medical Emergencies

Contact a staff or GOC member or dial 911. In the event of a medical emergency or other significant emergency, please notify Special Olympics Southern California (after calling emergency personnel). Complete an accident/incident report describing what took place, and submit it to the SOSC California Competition Director or Games Director.

Accident Reporting

Special Olympics has secondary accident medical insurance coverage. This is secondary to any coverage the athlete or coach may have, except Medi-Cal. If there is other coverage, medical insurance claims must be submitted to the individual’s company for payment first. Coverage is for medical services for an accident, not illness. If Special Olympics insurance will be used, please list Special Olympics Southern California, 1600 Forbes Way, Suite 200, Long Beach, CA 90810 as the insurer. Be sure to complete an accident/incident report, send a copy to Special Olympics Southern California Human Resources Department (fax to (562) 502-1127) and return to Special Olympics Claim Service c/o American Specialty Insurance Services, Inc., 142 North Main Street, P.O. Box 459, Roanoke, IN 46783-0459 or fax to (219) 673-1291. For emergency claims response, call (800) 566-7941.

Lost and Found

PLEASE LABEL ALL BELONGINGS AND EQUIPMENT. Games Headquarters will be designated for lost and found articles. Please check there for any missing items. Any items that are unclaimed at the end of the event will be donated.

Lost Athlete Procedure

If an athlete is lost, immediately notify a member of the Games Organizing Committee (GOC). The GOC will initiate a search. Please follow the steps below:

• Identify yourself.
• Describe the missing athlete: name, age, gender, physical description and dress.
• Identify place last seen.
• Indicate who is to be notified when an athlete is found.
• The GOC will take action to reunite the missing athlete with delegation.
• When an athlete is located, notify the nearest GOC member or security staff.

Remember: In the event one of your athletes is lost or transported to the hospital, please notify anyone with a radio or call Games Headquarters and complete an accident/incident report.

Sports Rules

The National Governing Body (NGB), Special Olympics, Inc. and the 2016 official Special Olympics Sports rules shall be the rules under which competition at the 2016 Fall Games shall be conducted. For a full list of rules and regulations, go to www.sosc.org/coachescorner.

Why Enforce the Rules

Each official Special Olympics sport has an established NGB that provides the rules and regulations for the specific sport. These governing bodies are an important aspect of competition as they provide consistency at all levels of competition. Learning to follow the rules is important for many reasons.

• Consistency: It is important for athletes to play using a set of rules at all competitions.
• Training: One of the major goals of any Special Olympics program is to have trained athletes. Most athletes who are trained in the event in which they are competing will have no problems following the rules.
• Self-Esteem: It is satisfying to compete by the rules.
• Fairness: Playing by the rules ensures a “level playing field.”
• Life Experience: Learning to follow the rules is a basic part of the growth and development of any individual.

Protests

Protests can be made only concerning the following:

• A misinterpretation of a playing rule
• Failure of the official to apply the correct rule to a given situation
• Failure of the official to impose the correct penalty for a given violation

Judgment calls, disagreements with decisions, improper entry scores, and matters involving the accuracy of an officials’ judgment are not conditions for a protest.

The Head Coach is the only person who can file a protest. Head coaches should present protests to the sport venue manager in a calm and organized manner within 15 minutes of the completion of the event. Remember to be a good role model to your athletes, coaches and volunteers.

The sport venue manager, head sports official/technical delegate and competition director will evaluate protests and make a decision. All decisions are final.

Parking

Free parking is available for delegations at all venues and hotels.

Medals are awarded for 1st, 2nd and 3rd places; ribbons are awarded for 4th through 8th place. Those who do not successfully complete competition will be disqualified but shall receive a participation ribbon.

ATHLETES AND TEAMS MUST BE PRESENT AT AWARDS PRESENTATIONS TO RECEIVE AWARDS. ATHLETES AND COACHES THAT CHOOSE TO LEAVE BEFORE THEIR AWARDS PRESENTATION WILL NOT RECEIVE THEIR AWARDS.

Lost or misplaced medals or ribbons should be reported immediately to Games Headquarters.

Softball Rule Modification

- Game Durations: A regulation game is 7 innings but no longer than 60 minutes. The new inning may start after 55 minutes. Once an inning is started, it must be completed. If the game is tied at end of regulation play, the California tie breaker will be used. Coin flip will determine home team.
- Balls and Strikes: Four balls constitute a walk and three strikes an out. If a batter has two strikes and fouls off the third pitch, he/she is out.
- Pitching: The ball must travel in an arc over the batters head but no greater than 12 feet.
- Extra Player (EP): Must be declared to the umpire prior to the game. If an Extra Player is used, the player must be in the same batting order throughout the game. You may substitute an EP or fielder with a substitute, but not with a batter in the line-up. If a fielder becomes a batter, then the EP is removed.

Venue Reminders

- The tournament schedule will be posted at the Nerve Center between 9:45 a.m. - 10:00 a.m.
- Attendance at the Head Coaches Meetings are mandatory; every team needs at least one coach to attend. Competition information, updates, and schedule will be handed out and clarified at scheduled meetings.
