

Social Media Guide

- Add your fundraising page link to EVERY post so your friends can easily access your page to donate or register. For Instagram, you can put your fundraising link in your profile.
- Make sure you are asking your friends to do something. Use words like, “Donate now,” “Share this,” or “View my fundraising page.” Remember that you have to be specific to get results.
- Thank each of your friends on their pages. You never know who else is going to read their page and possibly donate to you.
- Have fun and make it personal.
- If you have teammates on your social media channels, tag or message them to create healthy competition.
- Use the @ symbol to tag your friends. Just type @ in front of someone’s name in your post.
- Don’t just use posts to talk about your fundraising goal. Message everyone you know! Spread the word with messages, chat, etc.
- Why are you fundraising for Special Olympics? Share your story with your friends, and let them know why you are raising funds and awareness for the athletes.
